

SUPERSEIL 2024

We are as excited as you are to be on the water this summer!

Important info:

Clothes:

All weather clothing:

We highly recommend 2mm to 5mm wetsuit and neoprene boots for sailing.

If weather is Cold:

We suggest to add some wool layers underneath the wetsuit. A beanie ,a rain jacket and extra socks (maybe gloves)

If the weather is Hot:

Sunscreen , hat and sunglasses are a **must**.

It is recommended to bring extra DRY clothes since there will be a lot of swimming

Food:

Lunches must come from home. We employ a “pack it in pack it out” policy.

Our sailors will be having lunch in a different island every day, means they will have their lunch pack in their boat. Best to secure the food in a waterproof container or a zip lock.
